

#### HOW DID WE GET TO THE SUGGEST NUMBER LISTED ON THE DONATION AMOUNT?

**A \$250 donation (can be a gift from one donor or several donors) will cover the schools charter fee for the entire current school year.**

**A \$400 donation (can be a gift from one donor or several donors) will cover the schools charter fee for the entire current school year, as well as to offer a \$10 scholarship for 15 students to participate in the regional competition, cover fees for a substitute, or assist with school bus/transportation costs.**

**A \$900 donation (can be a gift from one donor or several donors) will cover the schools charter fee for the entire current school year, as well as to offer a \$10 scholarship for 15 students to participate in the regional competition, cover for a substitute, or assist with school bus/transportation costs; and offer 10 \$50 scholarships for students to participate in the state competition, cover fees for a substitute, or assist with school bus/transportation costs.**

#### WHAT ARE SOME OTHER TALKING POINTS THAT EXPLAIN THESE DONATIONS?

**\$250 of the funds raised will go to sponsor membership for every student in our school to have the opportunity to participate.**

**This charter fee is key for us to gain the access to resources to ensure success in GCCE program participation.**

**Additional funds that we would like to receive from our local community to assist in these offerings include \$150 for students to participate in a regional one-day debate competition with students from other schools, and \$500 to subsidize students to attend a state-level competition where they will compete against the top students and schools from across Georgia.**

**Any amount you can contribute to sponsor our local school will bring us closer to our goal of offering these terrific opportunities to our students.**

#### CAN WE MAKE THE NUMBER SMALLER OR LARGER IF WE WANT?

**Absolutely! If you only need the funds to cover the charter fee, then only seek out a \$250 gift. If you need more to cover student scholarships, feel free to increase that amount. We encourage you to be good stewards of funds requested and never seek more than you need for your group to successfully operate/compete.**

**If you have any questions about this information or if we can assist in any way, please email us at: [info@georgiacivics.org](mailto:info@georgiacivics.org)**

*Thanks and good luck!*
