Be a Georgia Voter!

How to Register to Vote in Georgia

To Register To Vote You Must Be:

- A citizen of the United States
- A legal resident of Georgia and of the county in which you wish to vote
- At least 17 1/2 years of age to register and 18 to vote

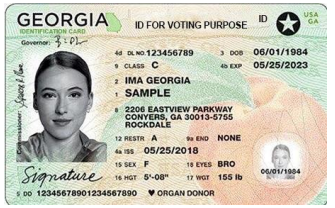
What is Required to Vote in Georgia?

Georgia law requires photo identification when voting. It's the way your county ensures it's you casting your ballot and not someone who isn't eligible to vote.

What IDs are acceptable for in-person voting?

1. **Any valid state or federal government-issued photo ID, including a free ID card issued by your county registrar's office or the Georgia Department of Driver Services.**
2. **A Georgia driver's license, even if expired**
3. **Student ID from a Georgia public College or University**
4. **Valid employee photo ID from any branch, department, agency, or entity of the U.S. Government, Georgia, or any county, municipality, board, authority or other entity of this state**
5. **Valid U.S. passport ID**
6. **Valid U.S. military photo ID containing a photograph of the voter**
7. **Valid tribal photo ID containing a photograph of the voter**

Georgia's Voter Identification Card



If you do not have one of the acceptable forms of photo ID, the State of Georgia offers a **free ID card**. An ID card can be issued at any county registrar's office or Department of Driver Services Office, free of charge.

To receive a voter identification card, the voter must provide:

- A photo identity document or approved non-photo identity document that includes full legal name and date of birth
- Documentation showing the voter's date of birth
- Evidence that the applicant is a registered voter in the State of Georgia
- Documentation showing the applicant's name and residential address

A Georgia voter identification card shall remain valid so long as a person resides in the same county and remains qualified to vote.
