

How to Participate in the Georgia Mock Election

1) Be sure you are registered to participate in the mock election by going to <https://www.georgiacivics.org/mock-election>. You'll need to know how many ballots you need.

2) You will receive one-time use ballot codes that will allow your students access to their ballot. You will receive the codes in two formats: 1) in an excel spreadsheet and 2) on actual Voter IDs. Some schools go the extra mile and place their student's name and photo on the ballot as well to make it more "official" feeling.

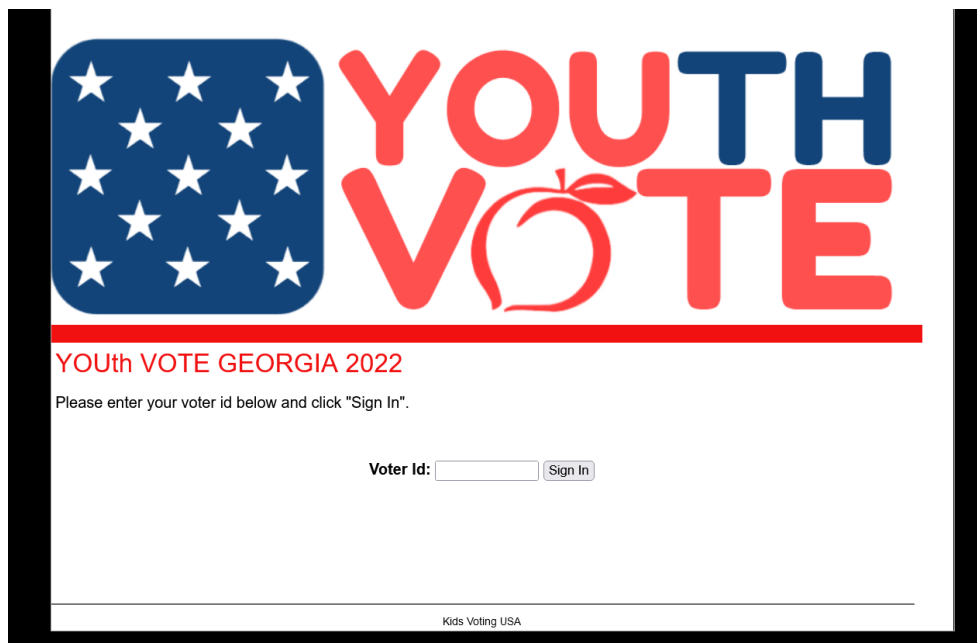

3) On election day, have your students visit

NOTE: The #### will be replaced with the actual ballot number. For the Fall 2022 Election, the Ballot Number is 4397.

4) Your students will enter their unique single use Voter ID that will direct them to your school's specific ballot. Once the number has been entered, hit "Sign In."

Note: the ballots are customized to your school. Elementary grades will vote on fewer items than Middle and High School, but will also vote on Kid Governor. Additionally, the ballot is based on your school's address and the candidates would be on your community's *actual* ballot.
