

STIPEND DETAILS AND REQUIREMENTS

In order to receive your stipend, you will need to meet certain criteria and checkpoints throughout the school year. If you meet these goals, you will receive your stipend after the semester has concluded.

To receive your stipend, your group must:

- Charter your group
 - The charter fee is \$250. This will cover your participation for both semesters.
- Registering State Conferences
 - Register at least 16 students for the conferences each semester and ensure that registrations and payments are received by the deadline.
- Community Service
 - Your Club should lead/participate in a community service project each semester.
- Semester Reports
 - Your Club should submit a Club Status Report each semester detailing its activities.

We have provided resources and support for you to ensure you are able to meet all the criteria and earn your stipend. We are also a resource for you throughout this year and are happy to assist in any way we can. If you successfully meet the requirements, you will receive a stipend of \$500 per semester.
