PREPARING THE NEXT GENERATION

KANSAS STATE UNIVERSITY

Course Description

Part of a comprehensive six-course series, this course is designed to enhance understanding and teaching of the origins of constitutional governance in the United States. The U.S. Constitution is the product of centuries of philosophical thought, legal traditions, and historical experiences. Educators will examine the evolution of constitutional ideas, from classical republicanism and natural rights philosophy to British constitutional traditions, colonial self-governance, and the revolutionary principles of the Founding Era

EDCI 781: November 3 - December. 12
EDCI 782: January 5 - January 30
EDCI 783: February 2 - February 27
EDCI 784: March 2 - March 31

ENGAGE youth in government
Center for Civic Engagement

ENGAGE: the CTSO for students interested in careers in public service. These are our future lawyers, service men and women, government officials—and so much more. ENGAGE shows students that public service exists in every field, and it helps raise up the next generation of informed and active citizens and leaders.
